---

On June 14, 2021, the Defendant appeared by video conferencing and admitted to allegations set forth against him in a Petition dated May 6, 2021, directing him to show cause why his bond, set and met July 9, 2019, should not be revoked. He was found in violation of that bond, immediately following the admissions.

Defendant was then remanded to the custody of the United States Marshals Service to be transported to his designated institution, in order to begin execution of sentence imposed by this

Court on February 10, 2021.

This Court's prior Order of April 14, 2021, delaying execution of sentence until on or after November 17, 2021 (Doc. #52), is VACATED.

Following the above, the Defendant was orally explained his right of appeal and orally indicated an understanding of same.

Neither counsel for the Government nor for the Defendant had any procedural or substantive objections to this Court's sentence.

The captioned cause is ordered terminated upon the docket records of the United States District Court for the Southern District of Ohio, Western Division, at Dayton.
